

EVAP PSHCE Curriculum Plan 2021-2023

PHHC taught as discreet subjects at EVPA.

At EVPA we have mixed age classes, therefore, the curriculum is designed on a two year cycle; this cycle ensures that there is no repetition of coverage and that progression of skills and knowledge is carefully implemented. The same theme is delivered to the whole school at the same time; this allows the whole school to work together when introducing new vocabulary. It also means that we can invite visitors, plan theme weeks and assemblies to impact the whole school at the same time.

The curriculum intent document that accompanies this long term planning document can be found in the 'PSHCE' area of our school website. All resources and MTPs are online – all teaching staff have access to all resources.

The EVPA IREACH values are embedded in all teaching and explicit links to our values and the units taught in PSHCE are made clear to our children.

Resources to support the teaching of these units can be found at: https://phseservice.eschools.co.uk/pshe_toolkit
